Lal Mandi, Near L.D. Hospital Srinagar

✓ **The Superintending Engineer**
PWD(R&B) Circle Sgr/Budgam

No:- 9498-99
Dated:- 25/09/2018

Subject:- Structure Stability and Safety Certificate — **Minto Circle English Medium High School (Senior Secondary) Allouchi Bagh Srinagar.**

Sir,

This office is in receipt of application from Principal **MINTO CIRCLE ENGLISH MEDIUM HIGH SCHOOL (SENIOR SECONDARY) ALLOUCHI BAGH SRINAGAR** regarding issuance of structure Safety Certificate. In this connection the Technical team of this division has inspected the said school building which under question is (G+2 with Attic) R.C.C framed structure from the structural stability has observed that the building is stable with respect to any structural defects. No settlements at foundation level have been observed no cracks of structural elements of buildings have been observed.

The certificate is issued in the clear understanding that overall responsibility of the building and its proper structural performance will cease the moment any additional alteration/over loading to the structure by accident or due to tampering by use/occupants for any reason what so over.

Overall responsibility will also cease in the event of over loading or lack of proper maintenance of structure besides occurrence of any natural calamity or any such act.

Yours faithfully,

Er. Javied Iqbal Bukhari)
